

# Small Group Introduction

## **Welcome to our small group study!**

Small group is a time to connect with others in our fellowship through God's Word and prayer.

This year we will be studying the book of Proverbs.

Proverbs is filled with pithy sayings and teachings that apply general truth and wisdom to a practical situation.

Proverbs ministers to the core of who we are – to our sin corrupted hearts; and helps us see the areas that need to change and with the help of the Holy Spirit transformed.

To get the most out of this study you need to:

- 1) **BE OPEN** – You need this!!!! So be open to how the Holy Spirit will use this in your life.
- 2) **BE PREPARED** – Do your homework!!! Answer the questions for each week and be prepared to participate in the group discussion.
- 3) **BE IN PRAYER** – As you study pray. Pray that God would open your eyes to see what needs to change. Pray for those in your small group.

I pray that through this study your faith will mature and you will become wise. God bless your time in Word and fellowship.

In His service:
